

*Beechwood Wins Video Contest:*

Beechwood Landscape Architecture and Construction, LLC was recently selected as winner of The Flying Horse Media's Story Time Video Giveaway. The competition was opened to members of the Chamber of Commerce of Southern New Jersey (CCSNJ). The video, which is valued at more than \$5,000.00, showcases Beechwood's unique landscape capabilities and passion for the landscape design/build industry.

Fifty six CCSNJ members entered the contest which was narrowed to six finalists based on the story that was submitted. Other finalists include Big Brothers/Big Sisters of Burlington, Camden and Gloucester County, Consolidated Financial Management, Frankel Financial Corporation, Front End Graphics and Moorestown Visiting Nurse Association.

Beechwood Landscape Architecture has years of experience of creating timeless landscapes and exterior living spaces in the South Jersey area. The dedication, emotion, passion and workmanship has situated Beechwood as the region's premier landscape design build professionals. Every project is unique with a new challenge and a design solution for each situation. The firm takes great pride on delivering the best quality on any challenge that it is confronted.

Please take a moment to capture a glimpse of The Beechwood Story and creativity.
